Julie Carrick, one of the most effective ministry leaders in the Catholic Church today, brings a passionate message of faith, hope, and love masterfully woven through her music and personal witness to living the faith. A veteran musician and composer, Julie has been featured at countless local, diocesan, national and international events. Julie is a committed witness to the life and love of Jesus Christ and is sure to touch your heart and soul at Holy Spirit Parish!

Julie Carrick is heard weekly on the Guadalupe Radio Network at Noon on Monday as she hosts her program "We Sing Our Faith" and has been featured on EWTN Backstage and Life on the Rock and various Catholic TV and Radio outlets.

Julie is not your typical recording artist. Her real life experiences are shared in her speaking engagements, and formed into the lyric that are her songs. The workshops she has developed have been beneficial to thousands of Catholics and other Christians in their spiritual development. Her witness shares the real heart of a woman who has experienced some of the toughest things in life and because of her Catholic faith, has stayed the course with Christ. From dealing with serious marriage issues, helping an adult daughter through a rape that resulted in pregnancy and most recently a Lung Cancer survivor, she knows what it means to 'live' her Catholic Faith. Though not always 'easy' her life has been blessed with grace when she has needed it most.

RE: Kurt and Julie Carrick / Carrick Ministries Foundation

It is with pleasure that I endorse Kurt and Julie Carrick and the Carrick Ministries Foundation.

For a number of years now, I have found their ministry in the Diocese of Phoenix to be spiritually uplifting and faithful to the teachings of the Church. I recommend them to pastors and event planners that are looking for a positive contemporary message. Music is an integral part of their presentations which lends itself for parish missions, concerts and special events. They developed 'Catechetical Artistry' to embody the work of their artists and it is a fitting description of their mission.

Their personal witness of living the Catholic faith provides positive encouragement to those who hear their message.

Sincerely yours in Christ,

+ Thomas J. Olmsted
Bishop of Phoenix
