**D**o We really not know what christmas is about

During christmas time  
you can look east at night  
and see the very start  
Joseph, mary, the wisemen  
followed on their silent  
night.

Definitely not about  
the booze

Long ago it all started in the little town of Nazareth  
 where a lone virgin with the name of Mary, betrothed to a  
 young carpenter with the name of Joseph, was visited by Gabriel the  
 Angel "do not be afraid Mary" he said "for I bring great news" In your womb  
 you bear Jesus christ the messiah and King of Heaven and Earth whose his King dom will  
 have no end "I will gods bidding" she said but this was a big risk  
 if she was caught bearing a child why not being married she could  
 be stoned Gabriel also said "follow the star to bethlehem" "there you will  
 give birth to the child" he left. Mary and Joseph later made the journey  
 by donkey. Little did they know that King of Israel King herod found out  
 about Jesus he was furious he wanted to remain in power so he sent  
 a person to find where Jesus was. later three wisemen one from the  
 north, south, and east one bearing gold another met and another bearing  
 Frankencense and traveling by camel they too followed the star the couple  
 Arrived just in time but they checked all the Inns they were all full. in the  
 fields shepherds tending their flocks were visited by angels the angels  
 said "go to the manger in bethlehem there you will find the King and Heaven  
 and earth" the shepherds took their sheep and went into town. later  
 the wisemen arrived, Mary and Joseph found a lowly manger and  
 then they found the perfect spot where animals gathered and the  
 wisemen arrived "here's gold" said one the other gave 'me' and  
 frankencense shepherds and the sheep gathered to see and worship  
 Jesus but herods men were killing every newborn male but could  
 not find Jesus. that is what Christmas is about not presents  
 or money but the birth of the messiah Jesus christ.

KEEP CHRIST IN CHRISTMAS the end

presents
